

U.S. ENERGY AND CAPITAL, Herbert W. Krupp, Vice President & Energy Economist, Energy Group Bankers Trust Co., 280 Park Avenue, New York, N.Y. 10017.

This topic will contain an estimate of the financing requirements of the Energy Industries (oil gas, coal, electrical and gas facilities). These financial requirements will be compared with the capital market. Moreover, the obstacles to energy industries in attracting these types of financial requirements will be covered.
