

Argonne National Laboratory
to Host

Energy Showcase

9.15.12

Please visit
www.anl.gov
for more information

Argonne National Laboratory will open its gates to the community on Saturday, September 15, 2012, from 9:00 a.m. to 4:00 p.m. for a day of discovery and fun for the whole family.

The event is free and open to the public. Advance registration is required as attendance will be limited. To register, please visit www.regonline.com/EnergyShowcase.

Argonne's Energy Showcase will be a similar event to the traditional Argonne Open House but on a somewhat smaller scale, making it easier to experience all that the laboratory has to offer in a single day.

The Energy Showcase will feature interactive demos, exhibits and tours and is a great opportunity to learn more about Argonne's research and talk with the laboratory's leading experts.
