

Abstract Instructions - Postdoctoral Research and Career Symposium

Font: Please use Times New Roman 12 pt.

Abstract Title Will Have Initial Letters Capitalized

Presenter¹, Collaborator², and Supervisor^{1,3}

Pls. note use of
superscripts and
spacing.

¹Biosciences Division, Argonne National Laboratory, Lemont, IL 60439

²Department of Chemistry and Biochemistry, University of California, San Diego, CA 92093

³University of Calgary, Dept. of Physics, Calgary, Alberta, Canada T2N 1N4

Font is Times New Roman 12 point. If your abstract contains any special characters or symbols, consider submitting in .pdf format so that formatting is not lost. Title has initial letters capitalized. Full names are preferred. Affiliations indicated by superscript number on author name, placed *inside* the comma. Do not include street address, but do include postal code. Inclusion of department name is optional. **Limit text to 200 words in length.** References are permitted. No figures, please.

Note – Argonne researchers must submit both the abstract and presentation to PANDA for approval before presenting at the Symposium.
